S.R. SRIVIDHYAA

ARTIFICIAL INTELLIGENCE & DATA SCIENCE STUDENT

srividhyaa8056@gmail.com +91 8056113475
Chennai, India
ROLE Media & Growth — Kromaxzon Technologies

SUMMARY

Artificial Intelligence & Data Science student with a growing interest in AI, emerging technologies, and creative problem-solving. Enjoys experimenting with Generative AI and prompting while building a foundation in Python. Brings strengths in content creation, video editing, presentations, marketing, and communication, with experience in hackathons, technical events, and collaborative projects.

EXPERIENCE

Media & Growth Team Member | Kromaxzon Technologies 2026 – Present
Contributing to the organisation's media presence and growth initiatives, drawing on skills in content creation, visual communication, presentations, and marketing.
- Supporting content creation and digital communication.
- Contributing to creative media, presentation, and promotional activities.

Data Science Intern | IDEAL Tech 2026
Gained industry exposure to Data Science concepts and workflows through guided learning and practical activities.
- Developed an understanding of how data and technology can be applied to real-world problems.

AI Fundamentals Intern | Thiranex 2026
Built a foundation in AI concepts and emerging technologies through hands-on learning.
- Explored practical applications of AI and gained exposure to current AI tools and workflows.

Team Head | Smart India Hackathon 2026
Led and coordinated the team through the Smart India Hackathon, contributing to idea development and solution discussions.
- Managed team coordination, presentation, and collaborative problem-solving throughout the competition.

Media Intern | Media 2026
Worked on content creation, video editing, presentations, and visual communication.
- Contributed to creating engaging content and communicating ideas effectively.

EDUCATION

B.Tech — Artificial Intelligence & Data Science 2025–2029
Dhaanish Chennai College of Engineering CGPA: 9.14 / 10

Higher Secondary Education — Class 12 Score: 79%
AVM Matriculation Higher Secondary School

SKILLS

PROGRAMMING
- Python (Basic)

AI & DEVELOPMENT
- AI Fundamentals
- Generative AI & Prompting
- Front-End & Back-End Fundamentals

TOOLS & CREATIVE
- GitHub, LeetCode
- Content Writing & Video Editing
- Presentations

STRENGTHS
- Communication
- Team Collaboration
- Creative Problem-Solving

CERTIFICATIONS & ACHIEVEMENTS

- **Recognition in STEM Projects** — USA, 2022
- **NPTEL** — Technical Communication for Engineers, 2025
- **Cisco Networking Academy** — Data Analytics Essentials, 2025
- **AI & Emerging Technology Workshops** — VIT, Sairam Engineering College & Online
